Children & Youth Ministry Registration Form 2015 Program Year

FOLLOW CONNECT GROW SERVE

Thank you for completing this once a year registration process. The information below will help insure that we have updated information on your child for the approaching year to help keep them safe and will also mean your child receives information and invitations to age appropriate events and ministry opportunities. Including a current e-mail address will insure that you receive the latest information without children keeping track of an extra piece of paper.

We appreciate the opportunity to partner with you this year as we seek to teach your children in a God-honoring way.

The UMC Children & Youth Ministry Team,
Karla Kane, Director of Children Ministries
